Dated l.7.2005

P.C:

. We have heard the learned counsel for the parties.

l. The petitioner has filed this petition seeking a direction to the Ulhasnagar Municipal Corporation to demolish the unauthorised structures erected by the respondent nos 4 and 5. It appears that earlier civil suits were filed in respect of the said structures and interim reliefs were obtained. The interim reliefs have been subsequently vacated. The said structures are therefore liable to be demolished.

2. Learned counsel appearing for the Corporation

submitted that there are large number of unauthorised structures in Ulhasnagar and the Corporation has prepared a list of 598 cases of unauthorised construction which are liable to be demolished. He submitted that a PIL being PIL No.l05 of 2003 is pending in this court where grievance has been made about the widespread unauthorised construction in Ulhasnagar and in that matter the Division Bench has directed the Corporation to issue notice to the property owners/ occupiers to demolish the said unauthorised constructions. The learned counsel submitted that the property which is involved in the present petition is listed at srl no.425 of the said list. He submitted that the Corporation will implement the directions given in the PIL no.l05 of 2003 and will take action of demolition of all unauthorised constructions within the time frame as may be determined by the Division Bench.

3 In the light of statement of the learned counsel for the Corporation, petition stands disposed of.
